

Volunteers needed

We are looking for keen adults to volunteer on our very successful Kings Bronze DofE programme.

Who:

Parent, carer, grandparent, friends – anyone who loves the outdoors and supporting young people to reach their potential.

When:

Our programme runs concurrent with the academic year, the next one beginning September 2021. The programme will contain, on average, 4 day-walks (all on weekends), 3 full weekends (with one-night camping), and a handful of Wednesday/Thursday meetings.

Benefits:

You will get all the training needed to become a bronze leader and will be paired with a more experienced leader. If you have a child coming up for bronze DofE, they will get a guaranteed place in our group.

The Catch:

We would like you to volunteer for a minimum of 2 years, and we hope you like chili, mud, rain and sun, and delightful 14/15-year-old kids.

Please contact me via email at doe@kings-winchester.hants.sch.uk
