Make a difference – become a Governor.

Why become a Governor?

Governors have an important part to play in helping schools to run effectively. They work as part of a team with the Headteacher and school staff to help provide a happy, safe and thriving learning environment and an excellent education for all the children.

This voluntary role can be challenging yet extremely rewarding and is a great way to build on your personal and professional skills. You will be supported in the role through a programme of training and mentoring allowing you to use your knowledge and experience to the full extent.

What will you do?

You will attend half termly governor meetings as well as visits to the school, focused on school priorities. You will receive reports from the headteacher and senior leaders and need to be able to question, challenge and support decisions.

The governing body operates a code of conduct which sets an ethos of professionalism and high expectations of governors.

What are we looking for?

We need enthusiastic and committed Governors from a variety of backgrounds. You do not need leadership or education experience; just a desire to give back to the school and its community and a proactive approach to becoming involved as a member of a team.

For further information, please contact Mrs R Martin, Clerk to Governors.
