

Revision schedule for Year 11 Jan 30th to March 3rd 2023

Before school, lunch times and Period 6 –

We expect all of our pupils to take their learning seriously and to use every opportunity to work towards attaining successful GCSE grades. In order to facilitate this, Kings' school runs bespoke 'Period 6' sessions for all our pupils from January 31st to the beginning of exams. The subject areas will provide pupils with a list of what topics and skills will be covered in each period 6 session in order for them to plan their learning effectively.

Whilst the Core subjects of English, Maths and Science will provide onsite period 6 sessions each week, the Options subjects will provide onsite period 6 sessions once every 2 weeks.

In addition to this provision, we are aware that for some pupils, staying onsite to work is more beneficial than trying to complete work at home. We will therefore have a room open in school until 5.00pm for silent independent revision.

Day	Time	Week A W/c 30 th Jan	Week B W/c 6 th Feb	Half Term	Week A W/c 20 th Feb	Week B W/c 27 th Feb
Monday	8.15-8.45am	Maths	Maths		Maths	Maths
