

## Parent Guide for Kings' School Winchester

---

### A Parent's Guide to Getting Started with “EduLink One”

All schools have their own way of working with EduLink One. It is customisable, meaning each school can tailor the product to meet their individual needs. The features covered in this guide are subject to the options your school chooses to use and should be viewed with this in mind. We request that users contact their school directly with any questions they may have.

There are two ways to use EduLink One: through a web browser like Google Chrome or through an app you can download to use on your mobile device. The EduLink One app is available for iOS and Android devices.

### Web Browser Instructions

To start, go to <https://www.edulinkone.com/> and input your school’s code. This would have been emailed to you when your account was created.

If you do not have a direct link, you will need to enter your **School ID** or **Postcode** and press **Next**. Your School ID will have been sent to you by the school. **If you forget your username or password, please contact the school.**

Enter your **Username** and **Password** that the school has sent to you.

If you have not received an email with your login details, please contact your school to resolve this issue.

Once you have filled in the username and password boxes with your login details, click **LOG IN** to get started.

### Downloading and Using the App

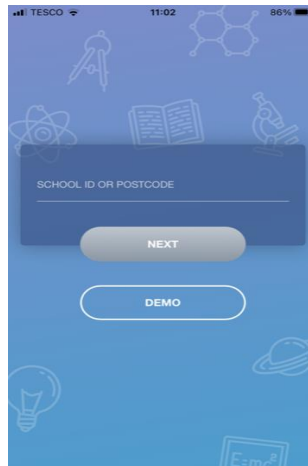

The Edulink One app is available for iOS and Android devices. You can download from these links or search in the App or Play stores.

#### Apple App Store

<https://itunes.apple.com/gb/app/edulink-one/id1188809029?mt=8&ign-mpt=uo%3D4>

#### Android Google Play

<https://play.google.com/store/apps/details?id=com.overnetdata.edulinkone&hl=en>

If you are using the mobile app you will see the screen to the left. You must input your **School ID** or **Postcode** and click the **Next** button to continue.

This is followed by the **USERNAME** and **PASSWORD** screen where you need to enter the login details your school has sent you.

Once you have filled in all three boxes with your login details, click **LOG IN** to get started.

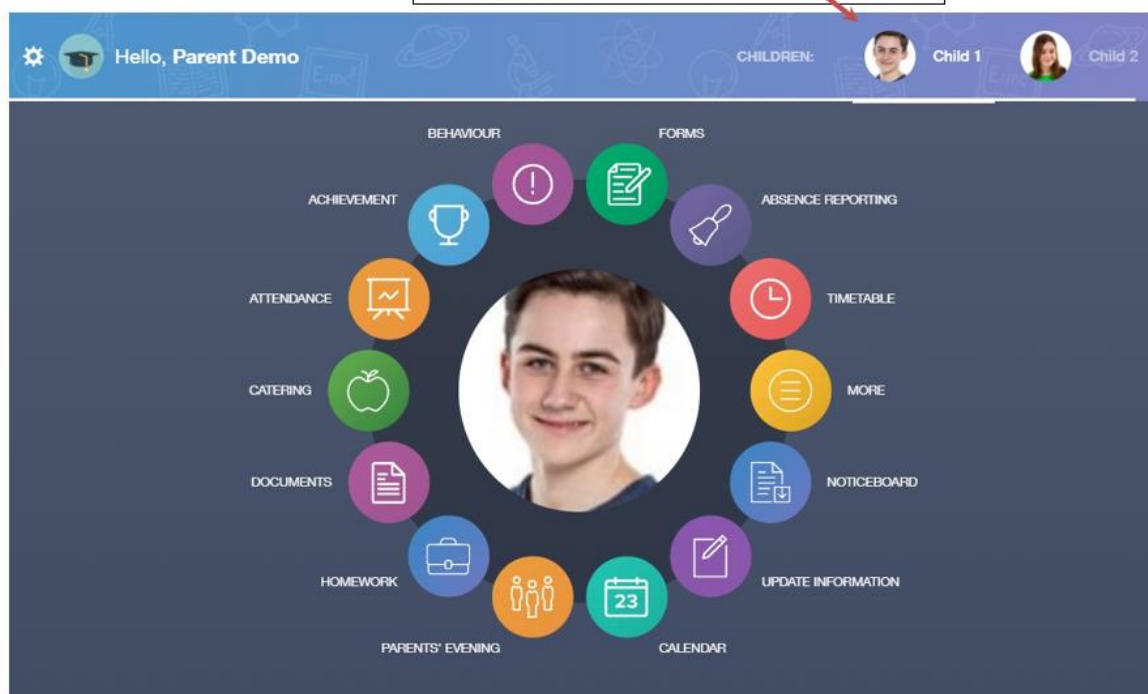

**If you forget your username or password, please contact the school**

### Main Screen

Once logged in, you will see the main screen in Edulink One. The information held in your account relates to your child/children. You will be able to navigate through the different sections of Edulink One by clicking on the icons, e.g. to view your child's attendance, click the **Attendance** icon.

Please see an example of the main screen below. The options may vary between schools as not all schools use all Edulink One's functions.

If you have more than one student in school, it's easy to switch between each one. Just select which child you would like to view in the top right-hand corner. If you can't see all your children that attend the same school, please contact your school.

This bar shows you what **lesson** your child is currently in, along with the next lesson in their timetable.

The **messages** button will let you know if you have any unread messages from the school.

## Behaviour

The behaviour button will give you access to **view behaviour records, detentions and lesson behaviour**, which have been assigned to your child. Information on detentions and graphs on lesson behaviour are also shown.

### Behaviour Records Tab

This tab will show you detailed information about any behaviour incidents which have been logged on Edulink One by staff. As the example below shows, each behaviour incident that has been recorded will show you when the incident occurred and details about the incident such as the type, location and the action taken.

### Exams

The exams section contains detailed information about upcoming exams that your child will be sitting. This is for GCSEs.

It includes the **Exam Timetable** along with the exam name and location. Your child also has access to this so they can keep track of upcoming exams themselves.

Once the exam results are in, your school has the option to post them in the **Exam Results** tab. As the students own their results, the school may decide not to display them to parents and only the students.

#### Year 11 trip to London Zoo

Year 11 students who do Geography GCSE will be going to London Zoo on the 1st April as part of their coursework research. There is no cost for the trip as this is being covered by the school but they may wish to bring money for souvenirs and lunch or alternatively they should bring a packed lunch. ### Attendance

The attendance area lets you see which lessons your child/children has that day and whether they have been marked as present or absent. In the **Attendance Today** tab, you can see this for both statutory registration and lesson registration.

Below the statutory registration information is a list of the child's lessons for each period of the day.

ATTENDANCE TODAY				LESSON ACADEMIC YEAR	STATUTORY MONTH	STATUTORY ACADEMIC YEAR
<b>Statutory</b>						
Session	Mark		Present			
AM	/ Present (AM)		✓

<b>Lessons</b>						
Period	Lesson	Mark	Present			
Fri:1 9:15 - 10:15	Religious Education (11y/Re2) Mrs J. Darby	- All should attend / No mark recorded	...			

Additionally, the school has the option to allow you to see data regarding lesson attendance for the academic year, as well as statutory month data and statutory academic year data. The data in these sections appear as pie charts like the example below.

### Assessment

The assessment screen is customisable for every school, so most schools' assessments will not look the same. If you are struggling to understand the assessment data, it is best you contact your school so they can explain their assessment process.

You can see your child's/children's grades, targets, attitude to learning and other aspects that the school wants parents to see in Assessments. Some schools colour code data to tell you if your child is working at the expected level. Many schools also provide a written explanation about the assessment, like what each effort grade means.

Also, you can view other assessments, including past assessments, and some schools may make KS2, KS3 or KS4 data available for parents to view.

Below is an example of what an assessment could look like in Edulink One.

#### Attainment Summary

The information below provides current data on the progress of your child in Attainment Summary. The table shows their KS2 attainment level as well as their Attainment grade and Effort grade for each term; the final column shows your child's current target level which is colour coded according to the below key.

If your child has not been joined to a club by a teacher (such as revision sessions), you can choose to unbook a club. If the teacher signed your child up, your child will need to attend the club and must ask the teacher to leave, e.g. exam is now over so your child no longer needs to attend the revision session. You would need to contact your school's teacher to leave a club the teacher has signed them up to.

Parents can also view a child's attendance at a club. This appears after the fact and not during the session of the club.
