D of E Expedition	6 th -7 th July 2024	Yr9		Yes

In addition to the trips listed above, we are also planning a number of activities for the final two and half days of the academic year for Years 7, 8 and 9. Information regarding these days will be sent out in the Autumn Term. Further details will be provided as they become available.

The activities days are for pupils in Years 7 to 9 and we always offer a residential visit in each year group – these usually cost £240.00. Alternatively, there will also be a variety of day-long activities – some of these will be free and some will incur a charge.
