

## Revision schedule for Year 11 Jan 29th to March 1st 2024

### Before school, lunch times and Period 6 –

We encourage all of our pupils to take their learning seriously and to use every opportunity to work towards attaining successful GCSE grades. In order to facilitate this, Kings' school runs bespoke 'Period 6' sessions for all our pupils from January 29th to the beginning of exams. The subject areas will provide pupils with a list of what topics and skills will be covered in each period 6 session in order for them to plan their learning effectively. There will be occasional days where they will be no revision sessions as the staff will be preparing for a Parents' Evening – these will be indicated on the schedule below.

Whilst the Core subjects of English, Maths and Science will provide onsite period 6 sessions each week, the Options subjects will provide onsite period 6 sessions once every 2 weeks.

In addition to this provision, we are aware that for some pupils, staying onsite to work is more beneficial than trying to complete work at home. We will therefore have a room open in school until 5.00pm for silent independent revision. This timetable will be renewed every 4 weeks.
