WELCOME FROM THE HEADTEACHER

Here at Kings' School in Winchester, we have a clear vision of working together to build inspiring futures for all our pupils, and this I see in evidence every day. As an oversubscribed, happy and successful school – and supported by our Kings' community – we offer exceptional, well-rounded, and individualised education for 11–16 year-olds. Throughout their time at Kings', we support each one of our pupils in their unique passions and talents, providing a wide range of diverse subjects and opportunities, and helping our ambitious, determined young people to find confidence and joy in their work – now and in the future.

I am exceptionally proud and feel immense privilege to be leading Kings', a school renowned for our academic excellence. Year on year, our pupils attain at the very highest level and together we celebrate our position alongside the very best state secondary schools in the country. Our aspirations go beyond our consistently high results, and we work together as a supportive school family to inspire each individual to find their spark and forge their own path to personal fulfilment.

We have the highest aspirations for every one of our pupils because we know the impact that a first-class education has on the future of each individual child. We believe that every one of our pupils has something that they can be excited about, excel at, and can inspire others through. Our belief in developing the whole-child is reflected not only in the breadth of academic subjects pupils can study, but also, the extensive extra-curricular activities that are on offer at Kings'.

Our friendly and supportive culture strives to enable each pupil to feel confident and valued, and to inspire a curiosity to discover the things that excite them. We are immensely proud of all our pupils' achievements, whether they be academic, sporting, artistic, dramatic, or personal.

We believe in the importance of supporting our pupils as they develop their character, overcome challenges, and discover their strengths, and our pastoral system is central to this. Through our House system we challenge our pupils to establish themselves as ambitious young people who make a positive contribution to both the local and wider community. Our pupils leave Kings' well prepared for their futures and are successful in gaining places at local colleges, schools and ultimately the universities of their choice.

As a parent myself, I know that children and young people learn best when they feel happy, secure, and valued. We pride ourselves on the warmth and collaboration across the school, the close relationships between staff and pupils, and the care and guidance that we provide to all pupils. We especially value our continued collaboration with parents and the strength of our ties to the wider community that help us build success together. Our ethos and vision are reflected in our school motto, ***Una Laborantes*** (working together) which underpins everything we do. I very much look forward to working closely with you during your child's time at Kings'.

Dr James Adams
Headteacher

ETHOS, MISSION AND VALUES

Our mission is to ensure your child leaves with an inspiring future ahead, because they develop exceptional character and achieve academic excellence. Working together, we offer your child excellent pastoral care, an enriching curriculum and overwhelming opportunities for activities and experiences.

INSPIRING FUTURES

Discovering your child's passion and talents so that with unlimited ambition, they can pursue their own path to personal success.

EXCEPTIONAL CHARACTER

Developing your child's skills and courage to make exceptionally good choices: confident that they will do the right thing, at the right time, for the right reason.

ACADEMIC EXCELLENCE

Ensuring a life of choice and opportunity for your child as a result of the breadth and quality of achievement.

Kings' School Values are:

- Discover brilliance in everyone
- Have unlimited ambition
- Earn success
- Be kind, humble & have integrity
- Make a difference

CONTACT INFORMATION

Pupil absence : Via Edulink App

Welfare/Pastoral enquiries : Tutor

Questions about subjects : Subject teacher

Serious Welfare/Pastoral issues : Head of Year

Serious subject-specific issues : Head of Subject

Issues that cannot be resolved through the above staff should be directed to the linked member of the Senior Leadership Team.

How to contact them:

Telephone the school on 0162 861161 or visit www.kings-hants.com/contactus

What should happen:

We aim to respond to telephone messages and emails within two school days.

Headteacher:	Dr Adams
Deputy Headteacher:	Mrs Hutton
Deputy Headteacher:	Mr Rossiter
Assistant Headteacher:	Mrs Payne
Assistant Headteacher:	Mr Simpson
Assistant Headteacher:	Mr Locke
Welfare Lead/DSL:	Mrs Berridge
Senior Operations Manager	Mrs Edwards
Senior Finance Manager	Mrs Bennoch
Learning Support:	Mrs Wilde

COMMUNICATION

We like to keep in contact with our wider Kings' community to share all of the wonderful things that are happening within our school.

EdulinkOne

We use EdulinkOne to send messages to you. This is also the best platform for you to let us know if your child is going to be absent from school. Please ensure you download the app.

Instagram

Please do follow our page on [Instagram.com/Kings_Hants](https://www.instagram.com/Kings_Hants) for regular updates. Our PE department have their own page @kingsschoolwinchesterpe where they share the achievements of our sports teams and individual athletes.

Pupil Bulletin

The Pupil Bulletin is sent out every morning for Tutors to read during Tutor Time. It is also uploaded to the noticeboard on Satchel One, our homework platform, every day for parents to view.

Parent Bulletin

We send out our Parent Bulletin every Tuesday and Friday afternoon with details of any upcoming events and other information. We categorise this by Year Group to make it easy for you to find information which is relevant to you.

Headteacher's Newsletter

The Headteacher's Newsletter is published fortnightly. The link to it can be found in the Parent Bulletin, and also on our website [Kings-hants.com](https://www.kings-hants.com)

Shaping the Future Forum

We hold regular forums which focus on a different area of the future of Kings'. We really value your input at these events, our parent's ideas and creative thinking have already shaped the future of Kings' in many ways. Please come and have your say, and help make the decisions that will affect your children's experiences at Kings'.

PASTORAL INFORMATION

Your child will be a member of a Tutor Group which will contain approximately 30 of their peers. Their Tutor will be your primary point of contact and will have oversight of their welfare and progress.

Each Year Group contains 12 Tutor Groups who are under the care and co-ordination of the Year Office Team, which includes Head of Year, Deputy Head of Year and a Year Officer.

Tutor Groups gather each morning for Tutor Time, where important notices will be given, and a register taken. Once a week your child will attend a Year Group assembly held by the Year Office. Themes covered in tutor time and assemblies are closely linked to our “Character Curriculum”.

WELFARE

The school has a dedicated Welfare Team who work closely with children and providing support to those who are having difficulties either inside or outside of school. If you feel your child may need some additional support, please contact their Tutor who will begin the referral process. Children are assigned to a specific member of the Welfare Team, who will book appointments to see them as necessary. If your child becomes distressed and needs someone to speak to whilst at school, they can visit their Year Office who will arrange Welfare support if necessary. Children can also use the “Safeguarding and Bullying Concern” tile on the Pupil landing page to report any issues they may be experiencing.

MATRON

Children can visit their Year Office or Matron’s Office if they feel unwell, or are injured, although they should first seek permission from their class teacher. If necessary, Matron will call home and make arrangements for collection.

Children should not contact home themselves if they feel unwell and should not be collected from school without Matron’s permission.

KINGS' SCHOOL CURRICULUM

At Kings' School, our curriculum is at the heart of our mission to achieve inspiring futures, exceptional character and academic success.

At its simplest, a curriculum is the content taught to pupils in lessons. Our curriculum, however, extends well beyond lessons and, indeed, our extensive co-curricular programme. It is seen in interactions throughout the Kings' community, in our daily desire to inspire our pupils to become the very best people they can be.

We want our curriculum to be ambitious and challenging for all so that pupils of all backgrounds learn the best knowledge that we have in each subject area – and beyond. In taking our pupils beyond their lived experiences, our curriculum aims to push pupils to inspiring futures, and to address social disadvantage.

In constructing our knowledge-rich curriculum, we select and sequence the material to be taught with great care and purpose. Key Stage 3 is broad, balanced and challenging, ensuring a strong academic grounding for all before pupils select from a range of challenging option subjects for Years 10 and 11, studied alongside a core of subjects to GCSE level.

In short, our curriculum is focused, coherent and learned.

- Focused – it teaches pupils what they need to know to understand and improve the world.
- Coherent – it has a clear, carefully planned narrative within and across units.
- Learned – our pupils learn more and remember more over time. This is due to core concepts being taught explicitly, deliberate practice that uses this knowledge, and assessment and feedback that leads to pupils 'knowing what they know' and what they need to focus on in order to make improvements.

We are proud of our ever-developing curriculum at Kings' School. It contributes significantly to the fact that so many of our pupils go on to study challenging courses at 6th form college and attend universities across the country and beyond. Whatever a pupil's dreams are beyond Kings' School, when they leave us, we want our curriculum to have ensured that they have the knowledge they need to be prepared for, and inspired by, their future.

PERSONAL DEVELOPMENT

As part of our mission to create inspiring futures and exceptional character, we provide your child a variety of opportunities for Personal Development during their time at Kings'. This helps to support our values of having unlimited ambition and discovering brilliance in everyone.

PSHRE

All pupils have one lesson per week devoted to Personal, Social, Health, Relationships and Economic Education. During this lesson they will cover a variety of topics including healthy relationships, society, drugs education, community and Government.

Character Curriculum

Our character curriculum is delivered by our Pastoral Team during Tutor Time and assemblies. Children learn about what characteristics lead to having exceptional character and study others who model those traits.

Extra-curricular Clubs and Activities

We offer a wide range of extra-curricular clubs and activities at Kings' which are free to attend, although there may be minimal charges for materials, or match fees. It is our expectation that every child attend at least one extra-curricular activity per week.

Activities Days

At the end of Years 7, 8 and 9, we hold our Activities Days. These amazing, sometimes life changing activities, are a very important part of our school curriculum and as such, full attendance is both essential and mandatory.

School Trips

We offer an extensive range of trips, both in the UK and overseas, to support and consolidate your child's learning and to provide a broad cultural experience. We aim to publish a list of the trips which will be available to your child on our website at the start of each academic year, although these may be subject to change.

Work Experience and Careers

Our careers team are on hand to help your child to investigate any career they may wish to pursue. We hold a Careers Fayre each September which your child will be invited to attend in Year 9 and Year 11. They will also undergo a period of work experience at the end of Year 10 to experience of the world of work, develop employability skills and help guide future career decision-making.

ATTENDANCE

Regular and Punctual Attendance – it is imperative for a child’s future that he or she makes the most of his or her time at school. This means attending regularly and turning up on time – qualities also valued by employers.

- Pupils must arrive at school before 8.40am and although some pupils may arrive at school earlier than this, parents are advised that there will be no staff supervising pupils before 8.30am.
- Pupils are considered late if they have not registered by 8.45am (unless they are late with good reasons e.g. school bus was late.)
- Pupils should move promptly between lessons, arriving before the end of the 5 minutes allocated movement time.
- If for any reason pupils are late for school, or need to leave school early they should ‘sign in/out’ at Reception. Our Reception team will check for a notification through EdulinkOne that your child should leave early, and will ask your child for a signed note if one is not found.
- Pupils must not be absent from school unless they are ill – casual or holiday absence is not granted. At Kings’ School we have always stressed the importance of regular attendance and work together with families to achieve this. We have detailed monitoring systems involving Tutors, Year Offices and the Welfare Team in place, because legislation requires that schools thoroughly investigate any suspected cases of unauthorised absence and report the results of these investigations to the appropriate authorities.
- Any absence should be notified to the school by the beginning of the affected day. This should be done via the Edulink app.
- Detentions will be issued for repeated lateness to school or to lessons.
- The Attendance Policy is available to view in full on the school website.

REWARDS

At Kings', we believe in recognising and rewarding our pupils for displaying exceptional character and academic excellence around school.

Pupils that demonstrate behaviours in line with our core values are rewarded with credits, postcards and positive telephone calls home. Pupils with the most recognition points each week are recognised via an email home. Pupils with the top three recognition values each half term are awarded a restaurant voucher to celebrate with their family and friends.

BEHAVIOUR

We have very high expectations of all our pupils. This, combined with creative, challenging, well-resourced lessons and a skilful response by teachers to inappropriate conduct, leads to an inclusive, positive learning environment.

We aim for all within our community to demonstrate the following behaviours as a foundation to our ethos:

Ready

- Be punctual
- Be organised and ready to access their learning

Responsible

- Actively support the uniform code
- Demonstrate a purposeful attitude to learning

Respectful

- Be courteous & co-operative
- Be kind when dealing with others

Our aim is to reinforce positive behaviour using our rewards and recognition system. We encourage the development of positive relationships between all within and community, as we understand that these relationships are pivotal to the success and holistic growth of pupils. As a school we expect the highest standards of personal behaviour from pupils and in return, provides a pleasant and happy environment in which children can work, develop and thrive ensuring that each and every pupil achieves our mission of Academic Excellence, Exceptional Character and Inspiring futures. This mission is underpinned by our Kings' School values:

- Discover brilliance in everyone
- Have unlimited ambition
- Earn success
- Be kind, be humble, and have integrity
- Make a difference

Pupils who do not meet our expectations may be dealt with by counselling, admonishing, the imposition of appropriate tasks or detention etc. The school uses its discretion as to whether or not parents need to be told about minor offences, but where a serious offence has been committed or where there is a deteriorating pattern of behaviour, parents are informed and consulted as appropriate. The school may wish to detain pupils at the end of the school day where it is considered necessary.

The school takes all forms of bullying very seriously. We will always do all that we can to support and protect pupils and eradicate or remove this behaviour from our school. Pupils are made aware of how to report any issues they face either in person or if they prefer, electronically.

All pupils attending Kings' School are required to wear the correct school uniform. There is no negotiation of this point. The school uniform is designed so that it is simple, unequivocal and easily obtainable. We believe our uniform allows pupils to take a pride in their school and their own appearance and helps to provide an inclusive ethos and sense of belonging to our community. (For further information and details please refer to our Behaviour Policy.)

SCHOOL RULES

- The highest standards of personal behaviour are expected from pupils both in school and on the way to and from school, and in other school activities.
- Unless permission has been given, pupils must not leave the school premises during the school day.
- When moving around the school, pupils should walk quietly, keeping to the one-way system. Running is only permitted on the fields and play courts.
- In fine weather, pupils should remain outside before 8.45am and at lunchtimes, unless they are in a designated eating area or making their way to see a member of staff.
- Valuable items should not be brought into school unless they are absolutely essential; any such items remain the responsibility of the pupil and should be kept out of sight.
- Mobile phones should be kept switched off and must be out of sight on school site, from arrival at the start of the day until 3.15pm, unless they are being used with staff permission.
- Pupils are not allowed to listen to music using their own headphones at any time whilst on school site.
- Motorbikes, mopeds, scooters and skateboards must not be brought into school.
- Food should be consumed in the designated eating areas only or outside the buildings. Food should only be eaten in the classrooms during “wet break”.
- Pupils must not bring alcohol, recreational drugs, solvents, energy drinks or large bottles of fizzy drinks into school.
- Prescribed medicines (other than inhalers and epi-pens) must be handed in to Matron for safe keeping. Other medicines must only be brought into school with parental permission; pupils must never give medicines to other pupils.
- Smoking and “vaping” are not permitted in school or on the way to or from school. The possession of cigarettes/e-cigarettes, matches and lighters is not allowed at any point whilst in school uniform.
- Chewing gum is banned and should not be brought into school.
- Dangerous items such as knives, laser pens etc. must not be brought into school.
- All types of aggressive behaviour, whether verbal or physical, are not allowed.
- Pupils must not go into the areas which are out of bounds.
- Outdoor garments should not be worn during lessons.
- Pupils are not allowed to eat sweets/food during lessons.
- Pupils should ensure that litter is placed in bins and recycled where possible.

EXPECTATIONS OF SCHOOL UNIFORM

At Kings' School, we are proud of ourselves and of our appearance. All pupils attending Kings' School are required to wear the correct school uniform. There is no negotiation on this point. The school uniform has been designed so that it is simple, clear, unequivocal, gender neutral (where appropriate) and easily obtainable. It is, in the first instance, the responsibility of the tutor to monitor uniform standards. All members of staff, however, should assume a corporate responsibility in maintaining the uniform regulations. Pupils are expected to maintain these standards both within and outside school, on the way to and on the way home from. All branded items of uniform are marked with an asterisk and can be purchased through the Hewitts of Croydon online shop.

Uniform

Plain white long or short sleeved shirt with conventional collar.

*Maroon School Tie with gold stripe, worn with 6 stripes.

*Black Blazer, with School Badge.

David Luke grey stitched down knife pleated skirt DL972, worn with plain grey, black or natural tights or plain black or grey socks.

Black straight/slim leg trousers, not skinny leg, worn with plain black or grey socks.

*Maroon V-neck pullover with gold crest (optional)

Shoes, black sensible with a low heel no more than 2cm. No boots, trainers or sports branded shoes are allowed. (See school website for greater clarification).

Coats must be smart, of a single colour, with no slogans or large lettering or images and avoiding extremes of fashion. Leather or denim jackets should not be worn.

School scarf or plain black scarf (optional)

PE

Precision Attack, black games shorts.

*Maroon reversible games jersey with School crest.

Mitre Mercury contrast maroon and white games socks.

Plain white sports socks.

*Kings' crest polo shirt.

*Maroon sweatshirt with School crest (optional).

Plain black waterproof sports jacket for extreme wet weather only (optional).

Plain black tracksuit bottoms for winter (optional).

Trainers and studded boots.

Black swim shorts for boys.

Plain black swimsuit for girls.

Top buttons must be done up; shirts must be tucked in; skirts must not be “rolled”.

Hair must be kept smart and tidy, an appropriate style for school, must not reflect any extremes of fashion and should not be dyed, other than a single natural colour. It must be above the eyebrows to allow the pupil to easily see. Plain black hair bands only may be worn as a hair accessory. For health and safety reasons, long hair should be tied back in appropriate subjects e.g. Technology and Science

Headscarves, if worn, must be plain black.

Eye make-up, nail varnish or false nails are not allowed.

Pupils can only wear one plain gold/silver stud earrings in **both** earlobes. Pupils must not wear earrings in one ear only.

Pupils must not have any other facial piercings, including lip, tongue or nose studs.

Necklaces, chains must not be worn.

One plain, simple ring is allowed, e.g. a signet ring.

Non-religious or non-medical bracelets, bangles, anklets etc. are not allowed.

Watches may be worn.

Shoes must be plain black, solid and without a heel. No ballet pump style, boots or trainers. Plimsolls will be issued for the day to any child who arrives at school wearing incorrect footwear.

School bags must be rucksack style, which distribute weight evenly and are waterproof. Pupils must not use handbag style bags. Carrier bags are not acceptable either for books or PE kit and must not be used.

If any points are unclear or cause confusion, please contact your child’s Head of Year before making expensive purchases or making any decisions regarding your child’s appearance at school.

Uniform will be checked at both the start and end of every lesson and tutor time.

If your child wilfully wears their uniform incorrectly this will be recorded.

If your child persistently wears their uniform incorrectly, they will be placed on ‘Uniform Report’ by their tutor and may also receive a detention.

NOTE:

Pupil swim wear is not gender neutral.

All items of clothing etc. should be clearly marked with the pupil’s name.

Responsibility cannot be accepted by Governors or school for any items mislaid, lost or stolen.

EQUIPMENT

Pupils are expected to have the correct equipment with them in school every day, in order to be ready to learn. This includes any workbooks, exercise books or textbooks issued by their class teacher, and a pencil case containing the following items:

3 x Black/Blue pens

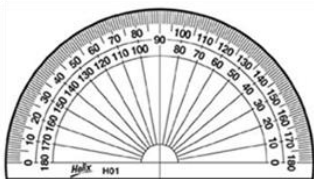

2 x Green pens

1 x Pencil

Ruler

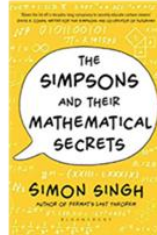

Protractor

1 x Board Marker pen

Reading Book (KS3)

Knowledge Organisation

1 x Highlighter

Rubber

Scientific Calculator

Your child's equipment will be checked every tutor time, and each lesson.

In tutor, if your child is missing items, they will be sent to their Head of Year Office to loan these (in exchange for their phone or £1). This will be recorded.

If they persistently fail to have the correct equipment, they will be placed on 'Equipment Report' by their Tutor and may also receive a detention.

ICT POLICY

- Pupils will only use their own login and password and will keep their password secret.
- Pupils will only use the computers for schools related study.
- Pupils are responsible for their own files and understand that the school will check the files and monitor the sites they visit.
- Pupils will only email people they know or those their teacher has approved.
- All emails will be polite and sensible.
- Pupils will not give out any personal information in their emails like mobile numbers or addresses or arrange to meet anyone they do not know.
- Pupils will only enter sites on the internet that they have the teacher's permission to enter.
- Pupils will not enter chat rooms or play internet games.
- Pupils will not rearrange the hardware or install any software.
- Pupils will not use social networking sites to post untrue information or comments about any other person.
- Pupils breaking any of the above rules may be stopped from using the school's computers or possibly be excluded from school.

RULES ABOUT MOBILE PHONES

We recognise that mobile phones may be necessary before and after school for some of our pupils, but pupils **must have phones turned off and in their bags from 8.45am until 3.15pm**. All parental contact with and by pupils during the school day, should be made through the school switchboard. If pupils need to contact home, they may visit their Year office and ask to use the telephone.

If a mobile phone is seen or heard at any time between 8.45am and 3.15pm, it will be confiscated. Parents will be notified and asked to collect the confiscated phone from the Main Office.

Earphones or earpods should not be worn or used during the school day. If seen in use, these may be confiscated and returned at the end of the day.

KNOWLEDGE ORGANISERS

Our teachers have created Knowledge Organisers to support each unit of learning across Key Stage 3. These are then compiled into a booklet. Knowledge Organisers are a simple tool that provides the foundational knowledge required for each particular unit across each subject. These are called the Knowledge Base. They are not the whole curriculum but they do outline the basic knowledge that every pupil should know. Subjects have also added other information—in a section called a Knowledge Builder, which may include extension tasks, or further study that may interest your child. Pupils will be issued with a Knowledge Organiser at the beginning of September for the academic year in Years 7, 8 and 9 and they should keep them safe, and graffiti free. However, we know that accidents happen, so if they are lost, a replacement can be bought from the Year Office at the cost of production (£3.50). They are a key piece of equipment to help your child’s learning, and they will need to bring their Knowledge Organiser to every lesson. There are also places for them to write down their timetable, locker number, and other useful information.

HOMEWORK

Key Stage 3

Subject	For how long?	Frequency
Reading	20 minutes	Daily
Science	30 minutes	Weekly
English	30 minutes	Weekly
Maths	30 minutes	Weekly
Languages	30 minutes	Weekly
Geography	20 minutes	Weekly
History	20 minutes	Weekly
Religious Education	20 minutes	Weekly
Tech	20 minutes	Weekly
Computing	20 minutes	Weekly
Drama	20 minutes	Weekly
Music	20 minutes	Weekly
Art	20 minutes	Weekly

Key Stage 4

2 Hours per week	1 Hour per week
English Maths Science	All other examined subjects

REPORTING

Each academic year you will receive two reports about your child’s academic progress. There will also be an opportunity to attend at least one Parents’ Evening a year.

THE SCHOOL DAY

The school day will start with Registration / Tutor time at 8.45am and will end for all pupils at 3.15pm. Lunch time runs from 12.25pm until 1.10pm.

08.45-09.10	Tutor Time & Registration
09.10-09.15	Movement Time
09.15-10.15	Lesson 1
10.15-10.20	Movement Time
10.20-11.20	Lesson 2
11.20-11.25	Movement Time
11.25-12.25	Lesson 3
LUNCH BREAK	
13.05-13.10	Movement Time
13.10-14.10	Lesson 4 & Registration
14.10-14.15	Movement Time
14.15-15.15	Lesson 5

OUR GOVERNORS

We have Co-opted, Parent, and Staff Governors – as well as Headteacher Dr Adams – sitting on the Kings' School Governing Body. The Governing Body is responsible for overseeing the management side of the school specifically: strategy, policy, budgeting, and staffing. Our Governors enable our school to run as effectively as possible, working alongside our senior leadership team, and supporting teachers to provide exceptional, well-rounded, and individualised education to our children.

The Governing Body meets regularly to keep abreast of the school's policies and planning. These meetings ensure all areas of the Governors' remit are covered including Finance, Curriculum, and Pupil Support. The Governors, several of whom are parents, bring a wealth of personal and professional experience to an eclectic mix that sustains the resilience, confidence and ongoing progress of the school and our pupils.

COMPLIMENTS AND COMPLAINTS PROCEDURE

Kings' School fully recognises the vital importance of good relationships between staff, pupils and parents and strives to maintain these. In the light of this, every complaint is a matter of concern to the school and will be investigated with due urgency and thoroughness.

To register a compliment, please complete the form located at www.kings-hants.com/contactus

To make either an informal or formal complaint, please use the forms located at www.kings-hants.com/contactus

Informal complaints can be raised with any member of staff, who will then launch an investigation. Informal complaints will be acknowledged within 3 school days.

Formal complaints will be passed to the Headteacher (unless they are about the Headteacher), and will be acknowledged by the Headteacher within 5 school days.

Our full complaints policy can be found at www.kings-hants.com/policies

KINGS' SCHOOL PTA

As a state-funded, community school, Kings' relies on volunteers and the wider community of parents and families to support the school with fund raising for additional equipment, events, and resources to provide opportunities for our pupils.

The Kings' School Association (KSA) is run by a dedicated team of parent and carer volunteers and exists to plan and run educational, cultural, sporting, social events and fundraising initiatives that draw the community together and raise essential funds for the school. It helps to provide financial assistance for facilities not normally supplied by the Local Authority.

The KSA have previously funded our Media studio, Duke of Edinburgh Scheme camping equipment, event shelters for use during sports day and other outdoor events to mention just a few.

The committee is extremely generous of its time, energy, and commitment towards the school. If you feel you would like to be actively involved, you can be assured a warm welcome.

Please contact us with any enquiries, ideas, or to get involved

ksa@kings-winchester.hants.sch.uk
