Parent Governor Vacancy

We currently have a vacancy for a Parent Governor. Kings' School has always aimed for a partnership with parents, school staff, and members of the local community. School Governor's have a varied and important role in helping our school run effectively. They have 3 core functions:

- Planning the strategic direction of the school
- Overseeing financial performance of the school and ensuring money is well spent
- Holding the Headteacher or school leadership to account

If you are interested in contributing to the development of the school by becoming a member of the governing body, please visit our [website](#) for more information, including full details on the election procedure, or contact Salma Meddick at s.meddick@kings-winchester.hants.sch.uk.

The deadline for applications Monday 2nd November.
